Goodbye Gut Ache

Natural enzymes found in food sources can be lost during cooking, so choosing a supplement to replace those enzymes can help maintain the overall health of your digestive system. Flora's Enzymes help promote good digestion and overall health, as well as provide fast relief from the uncomfortable symptoms such as heartburn, indigestion, gas, bloating and diarrhea. Flora offers **Daily Maintenance Enzymes** for everyday use, **Immediate Relief Enzymes** for post-meal discomfort, and **Urgent Care Enzymes**, our most powerful blend, formulated for persistent digestive problems.

Beauty Starts Inside

Beautiful skin doesn't come from creams, lotions or serums. It starts inside, with what you put in your body. If you want skin that's positively glowy, moisturize from the inside out with **Efamol® Beautiful-Skin Evening Primrose Oil**. Evening primrose oil (EPO) is naturally rich in GLA—a skin-loving omega-6 fatty acid that minimizes fine lines, wrinkles and dull skin.

Nature's Original Superfood

Gandalf Spirulina™ has been supplying Canada with this superfood since 1994. Spirulina is nature's original superfood. Rich in beta carotene, nutrients, vitamins, and minerals, this blue-green algae helps maintain eyesight, skin, membranes and immune function, and helps in the development and maintenance of bones, teeth and night vision. It also helps with the formation and proper function of red blood cells, while building and repairing body tissues, contributing to the overall maintenance of good health.
